Million-Dollar Views. More Room in Your Budget.

We believe a beautiful wedding doesn't have to come with the expense of a traditional venue. At Wild Blue Acres, you're investing in the setting, the privacy, the time, and the freedom to create a celebration that feels entirely your own.

With space for up to 150 guests, you can dream big without being tied to traditional venue rules, rigid packages, or unnecessary extras.

Because all celebrations take place outdoors, weddings with more than 60 guests require a tent rental and restroom trailer, arranged separately. A professional wedding coordinator is also required to oversee your celebration.
