

The Sunset Ceremony

Up to 40 guests | Available Mid-Week \$1,500

Not every wedding needs an all-day affair. Sometimes, all you need is a beautiful view, your favorite people, and a sunset worth remembering.

Our Sunset Ceremony package offers a relaxed, intimate way to say "I do" at Wild Blue Acres, surrounded by panoramic waterfront views and the natural beauty of the Albemarle Sound.

Enjoy three hours of access to our waterfront ceremony area, with space for up to 40 guests and access to the guesthouse. Exchange vows beneath the open sky, celebrate with a few photos along the water, and soak in that just-married feeling without the pressure of planning an entire wedding day.

Then, let someone else handle dinner! Head into town to celebrate at one of our local breweries or restaurants.

It's a little less traditional, a little less complicated, and every bit as memorable.
