

An Intimate Day on the Water

Up to 60 guests | Starting at \$2,800

Million-Dollar Views. Your People. Your Kind of Wedding.

Who needs a ballroom and a mountain of decorations when nature has already done the work?

With panoramic waterfront views, a white pergola, beautiful open lawns, and sunsets over the Albemarle Sound, Wild Blue Acres provides a pretty spectacular backdrop all on its own.

We are the view. You don't need to decorate it!

Bring your own vendors, choose your own food and drinks, and make the day yours. With vendor freedom and BYOB, you decide where your budget goes and how you want to celebrate.
